Evaluation criteria

Presented by: Samy Bengio,
Marketing Expert

Method

- Evaluation of the prototype is VERY IMPORTANT
- We need quantitative methods to assess
- Let us use a quantitative scale:
- From 1 (strong yes) to 7 (strong no) for each criterion
- Then, average!

R

Real Reaction

Evaluation Criteria

- Fancy
- Technology-full
- Robust
- Useful
- Right size and weight
- Right color and shape
- Adaptive

The screenshot shows a Microsoft PowerPoint presentation titled "Project evaluation". The slide has a black background with white text. The title "Project evaluation" is at the top. Below it is a bulleted list: "Project process", "Satisfaction on for example" (with sub-points: "Room for creativity", "Leadership", "Teamwork", "Means (e.g., whiteboard, digital pens, etc.)"), and "New ideas found?". At the bottom of the slide is a yellow bar with the "RR" logo on the left and the text "Real Reaction" on the right. The PowerPoint interface is visible, including the menu bar, toolbar, and a sidebar on the left showing a list of slides: "Real Reaction", "Design meeting", "Agenda", "Finance", "Project evaluation", "Closing", and "Evaluation". The status bar at the bottom indicates "Slide 4 of 5".

Project evaluation

- Project process
- Satisfaction on for example
 - Room for creativity
 - Leadership
 - Teamwork
 - Means (e.g., whiteboard, digital pens, etc.)
- New ideas found?

RR Real Reaction

The screenshot shows a Microsoft PowerPoint presentation titled "Closing". The slide has a black background with white text. The title "Closing" is at the top. Below it is a bulleted list: "Are the costs within the budget?" and "Is the project evaluated?". Below the list is the text "Then: Celebration!". At the bottom of the slide is a yellow bar with the "RR" logo on the left and the text "Real Reaction" on the right. The PowerPoint interface is visible, including the menu bar, toolbar, and a sidebar on the left showing a list of slides: "Real Reaction", "Design meeting", "Agenda", "Finance", "Project evaluation", "Closing", and "Evaluation". The status bar at the bottom indicates "Slide 5 of 5".

Closing

- Are the costs within the budget?
- Is the project evaluated?

Then: Celebration!
