Real Reaction
An evaluation in action

Evaluation criteria
Proposed by G. Javalita,
Marketing Expert

Method
• set of criteria based on the user
reactions;
• Each criteria will be evaluated using a
scale ranges from 0 (bad) to 7 (great).

Evaluation

• Criteria:
• I find this device really fancy.
• I find this device really handy.
• I find this device completely functional.
• I like the cool features of this device.
• Yes, this MANDO banana is easy to use.
• Of course, I would buy the MANDO banana for
25 euros if I needed a remote control.
• I would change my remote control for a MANDO
banana.
